our new AIESEC volunteers

CIAO! Hello! My name is **Linshen Tan**. I am a Chinese girl of 25 years old. I have completed my bachelor degree of Journalism at Jishou University. Now, I am a MFA student studying at the college of Arts, in the program of Broadcasting and Television, that is about film and TV show production, at South China Agricultural University ,Guangzhou. I am a passionate\ hard-working\ cheerful and sincere girl. I accept and respect all ethnic and cultural differences. For me, just because we are different that we make the world more interesting and beautiful.

My grandfather was a projectionist in a cinema. I have been playing around in the cinema since I was young, so I love movies very much. My hobbies include listening to music, reading stories, learning and experiencing new cultures, exploring beautiful and historical cities and countries as well as visiting attractive places, watching movies, enjoying myself with friends and having fun. Photography, fashion, travel, food, these are very important parts of my life.

In these two years, I have found my passion and dream in teaching by volunteering in a public welfare institution for leukemia kids. I love children, and I want to be a film professor teacher at university to teach students the knowledge of movies and my dream is to pass my passion of movie and inspire young people to study film to achieve their dreams just like the great people who have inspired me to chase my dream.

I love the idea of sharing, inspiring and motivating people. In this 6 weeks in Petrignano, I hope I will inspire more kids to start discover the world .

您好! 我的名字叫做谭林深。我是一个 25 岁的中国女孩。

我在吉首大学获得了新闻学学士学位。现在,我是一名艺术学院的硕士研究生,在广播电视专业学习。在广州华南农业大学。我是一个热情、勤奋、开朗的女孩。

我接受并尊重所有的种族和文化差异。于我而言,正是因为我们的不同,才使世界更有趣和美丽。

我祖父是一家电影院的放映员。我从小就在电影院玩,所以我非常喜欢电影。

我的爱好包括听音乐,读故事,学习和体验新文化,探索美丽和历史的国家和城市,以及观赏名胜古迹,看电影,享受自己与朋友和乐趣。摄影、时尚、旅行、美食,这些都是我生人生中非常重要的部分。

在这两年里,我通过在白血病儿童公益机构的志愿服务,找到了自己的教学激情和梦想。

我爱孩子,我想成为一名大学电影教授,教给孩子们电影的知识,把我对生活和电影的热爱传递给他们。我的梦想是通过我对电影的热爱,去激励年轻人学习电影,实现他们的梦想,就像那些激励我去追求梦想的伟人一样。

我喜欢分享,激励和激励人们的想法。在帕特里尼亚诺的 6 个星期,我希望我能激励更多的孩子探索世界。

Dear readers, hello! I am **Vika** and I am the youngest EduChange volunteers at school. I am only 18 years old, but despite my age I decided to try myself as a teacher. For me being a teacher is a lifelong dream, but now I'm studying as a customs officer at my university :}.

My life in Russia is boring and monotonous: home-university-home. Therefore, I am in this beautiful country now with unusual traditions. The first day when I arrived at "Scuola Media Francesco Pennacchi", I thought that I would be sent back, because I have a language barrier. But teachers and students understood that I am not a "prof" and that I also need to develop my skills. With a warm welcome, harmony and support I'm feeling good now. My host family has become a real family to me because we have a lot in common and I consider myself very lucky.

I promise to work on myself during my internship.

Дорогие читатели, здравствуйте! Я Вика и я самая младшая стажерка в этой школе. Мне всего лишь 18 лет, но не смотря на мой возраст, я решила попробовать себя в качестве преподавателя. Для меня учитель- мечта всей жизни, но, увы, я учусь на таможенника :}.

Моя жизнь в России скучна и однообразна: дом- университет- дом. Поэтому я сейчас в этой прекрасной стране с необычными традициями.

В первый раз, когда я оказалась в школе "Scuola Media Francesco Pennacchi", думала, что меня отправят обратно, поскольку я имею языковой барьер. Но учителя и ученики понимают, что я не профи, что я тоже развиваю свои навыки и учусь. С тёплым приёмом чувствуется умиротворение и облегчение.

Моя хост-семья стала мне настоящей семьей, потому что мы имеем много общего и дорожим друг другом.

Обещаю работать над собой на протяжении своей стажировки.
